- Wi-Fi capability and a SmartHQ™ app for remote control and notifications

## DIMENSIONS

Height	17 7/8"
Width	23 9/16"
Depth	21 3/4"

## FEATURES & BENEFITS

### SEAMLESS INTEGRATION

With the flexibility of ergonomic placement and function, single DishDrawer™ Dishwashers can be distributed throughout the kitchen to support patterns of use. The touch-sensitive control panel is located inside this Integrated model, leaving an uninterrupted exterior that blends seamlessly with surrounding cabinetry.

### EASE OF USE

DishDrawer™ Dishwashers are beautiful to use with soft-close drawers, and can be conveniently positioned at bench height for ease of loading and minimal bending. Flexible racking includes height-adjustable cup racks and wine glass supports.

### FLEXIBLE WASH OPTIONS

Eight wash programs including Auto, 60min and Glassware, while modifiers such as Sanitize, Dry+ and Quiet provide added wash flexibility. The Quiet wash modifier reduces the noise on some cycles while maintaining performance – perfect for late night washing.

### DESIGN QUALITY

Every detail has been carefully crafted using quality materials, from the easy-to-clean stainless steel interior to the spray arm sensor that detects jams for increased wash confidence.

### KNOCK TO PAUSE

For ease-of-use, these DishDrawer™ Dishwashers have a knock to pause function. A knock on the front panel will pause the dishwasher, which can be restarted by using the start button.

### QUIET PERFORMER

Running at a low decibel rating of 43dBA, these DishDrawer™ Dishwashers do their job without making a fuss. The combination of intelligent technology and simple mechanics means greater reliability and excellent wash performance.

### EFFICIENT PERFORMANCE

Our Energy Star rated DishDrawer™ Dishwashers use the energy they need without compromising on wash performance.
