65" U68N

U68N Series Mini-LED QLED 4K Google TV
Model-65U68N

The U68N series makes Mini-LED available to everyone. By integrating Mini-LED backlight technology with Quantum Dot Colour, we achieve precise image replication with outstanding detail. With elevated peak brightness, enhanced HDR performance, and a greater number of local dimming zones, enjoy improved contrast and colour accuracy. Whether you're enjoying your favourite movie or indulging in the latest game, this series guarantees satisfaction.

QLED

Quantum Dot Wide Colour Gamut technology reproduces over a billion colour combinations for a wider spectrum of colours for true to life images.

Full Array Local Dimming

equipped with up to 240 dimming zones combined with state-of-the-art video processing, the results are intense black levels with vibrant colour reproduction.

High Brightness Level

With a brightness level of 600 nits in Hisense TVs, you can enjoy an optimal viewing experience even in well-lit rooms with abundant lighting.

Game Mode Plus

Serious gamers wanted! With a powerful blend of 60Hz variable refresh rate and Auto Low Latency mode, conquer any opponent with seamless gameplay, free from screen tearing. Level up and dominate the game!

Hands-Free Voice Control

No remote needed—simply converse with your TV! Ask it to play music, catch up on the news, or check the weather. You have the option to control your Hisense Smart TV either using the remote control or without it.

Mini-LED

Smaller LED's allow for more of them to be incorporated into our back-light technology. This leads to the delivery of superior brightness, richer colours, and sharper details compared to conventional LED TVs.

Total HDR Solution

Hisense TVs have taken the sensible approach to HDR with support for all major formats, including Dolby Vision, HDR10, HDR10+, and HLG. Never worry about subpar video quality or compatibility again.

Dolby Atmos

Elevate your auditory experience with award-winning audio enhancement that unveils what you've been missing. The multidimensional spatial sound of Dolby Atmos puts you in the middle of the mission, bringing surroundings to vivid life all around you.

Google TV

No more jumping from app to app. Google TV bring together movies, shows, and more from all the subscriptions and organizes them just for you. Need inspiration? Get curated recommendations, use Google's powerful search to find shows across 10,000+ apps, or browse hundreds of free channels.
