

BEK431010M

AEG

24" Built-In Stainless Steel Multifunction Oven

FEATURES & BENEFITS

German Engineering

AEG ovens are engineered to integrate seamlessly into any kitchen environment while delivering innovative design and professional performance every homeowner demands.

Master The Way You Cook

Featuring 8 different cooking functions allowing you to master the finer art of cooking, with the Steam Bake function providing more moisture to your recipes. Everything from making bread and pastries to your favorite holiday dinners.

Fully Programmable Timer

Programmable timer gives you the flexibility to set when you would like to cook and how long you would like to cook for.

The Cool-Touch Oven for Added Safety in the Kitchen

Constructed from multiple glass layers, this oven's door stays safely cool to the touch. Plus, its beautifully designed, large window gives you great visibility.

SoftMotion™ Door Closing

The AEG SoftMotion™ hinges remind the consumer of the quality of their oven every time they effortlessly open and close the door.
