65" S7N

CanvasTV™ 4K QLED Google TV
Model-65S7N

Transform your living room into an art gallery with the Hisense CanvasTV. See the perfect picture without glare, no matter the ambient lighting. Hang your CanvasTV flat against the wall like a painting, thanks to our UltraSlim Wall Mount. Enjoy stunning picture quality with QLED technology, offering a wider spectrum of colours for true-to-life images. Experience the magic of a screen that senses your presence and saves energy by only powering on when you're nearby.

Art Mode

When you're not watching TV, transform your screen into a stunning display of art. Showcase masterpieces from Hisense's extensive collection of artwork absolutely free, or personalize your space by displaying photos of cherished memories with the Art Mode app.

Choose Your Frame

Easily change the look of your CanvasTV with its magnetic frame; simply snap it on to suit your mood. The CanvasTV includes a teak frame as standard, but you can choose from additional colours like white and walnut, which are available separately.

UltraSlim Wall Mount

The UltraSlim Wall Mount secures your TV exceptionally close to the wall, reducing the distance to just 3mm, which conserves space and creates a sleek, painting-like appearance. Its lightweight design ensures easy installation and handling, making it a practical and stylish addition to any room.

144Hz Refresh Rate

Whether it's sports, action movies or pure gaming, this high frame rate greatly reduces motion blur to reproduce a clearer picture.

DTS Virtual: X (2.0.2 Multi-Channel Surround Sound)

Enhance your auditory experience with DTS Virtual: X 2.0.2, featuring 2 rear side speakers and 2 upward-firing speakers for precise three-dimensional audio. Elevate your movies and games with immersive surround sound that goes beyond traditional channels.

Hi-Matte Display

Experience the Hi-Matte Display on CanvasTV, which transforms artwork into lifelike paintings with its matte texture and anti-glare glass. This feature reduces reflections to just 5%, ensuring an uninterrupted viewing experience, even in bright light. Enjoy art distraction-free with CanvasTV.

QLED

Quantum Dot Wide Colour Gamut technology reproduces over a billion colour combinations for a wider spectrum of colours for true to life images.

Motion Detector

Experience the magic of interactive art with Hisense's Motion Detector on CanvasTV. It transforms your room into a captivating gallery, displaying masterpieces only when you're present, and meets your energy-saving expectations. Enjoy responsive, energy-efficient art with CanvasTV.

Game Mode PRO

Serious gamers wanted! With a winning combination of technology, 144Hz Game Mode Pro is the one to beat. A variable refresh rate from 48Hz to 144Hz ensures that your console and PC gaming will meet any opponent head on. AMD FreeSync™ Premium and Auto Low Latency Mode virtually eliminate screen tearing and controller input lag. Dominate the game – it's time to level up!
