

48" ELISE INDUCTION RANGETOP

MODEL: **AEL481INRT**

In the re-imagining of the classic Elise design, AGA took its cues from the modern farmhouse movement itself. Rustic yet refined, the Elise blends old and new in masterful ways, both fresh and timeless, with just a hint of the exquisite.

The AGA Elise Induction Rangetop can heat food precisely, two to three times more quickly than gas, while conserving energy, saving counter space, and simplifying cleaning by keeping glass surfaces cool so splatters don't cook on.

Complimented by stunning cruciform knobs with knurling (*available in standard Brushed Nickel, five after-market finishes, or optional Antique Brass*), the re-imagined AGA Elise Induction Rangetop confidently steps into the spotlight along side its classic AGA siblings.

FEATURES

- Extra-large 43"W x 21 ½"D ceramic glass surface with 5 induction burners and facia touch controls efficiently utilizes / transfers / captures 90% of energy generated compared to only 55% with that of a traditional gas burner
- Hob display features: 3700w boost, residual heat indicator, 9 power settings, overheat detection and child safety lock.

SPECIFICATIONS

- Electrical Rating: 230V (2 Wire + N + Grd) 60Hz 11.1kW
- Induction element ratings:
 - Front Left:** 1.4 kW (Max) 2.2 kW (Boost)
 - Rear Left:** 1.85 kW (Max) 3.0 kW (Boost)
 - Center:** 2.3 kW (Max) 3.7 kW (Boost)
 - Front Right:** 1.85 kW (Max) 3.0 kW (Boost)
 - Rear Right:** 1.85 kW (Max) 3.0 kW (Boost)
- Product Dimensions: 47 ⅞" W x 26 ⅞" D x 8 ⅛" H
- Shipping weight (lbs): 132lbs (*includes packaging, no pallet*)
