Family Sized 1.6 cu. ft., 1100 Watt, Microwave Oven with Inverter Technology by SHARP®

Premium Stainless Steel Countertop Microwave Oven with Modern, White LED Display

Sensor Cook for Precise Cooking and Reheating with 6 Presets

Auto Defrost for Quick and Accurate Thawing

One-Touch Cook for Popcorn and Beverages

Express Cook for One-Touch Cooking Up to Six Minutes

CONVENIENCE YOU CAN COUNT ON

With innovative features like preset controls, Sensor Cooking and the Carousel® turntable system, the SHARP® SMC1664KSC Stainless Steel Carousel Countertop Microwave with Inverter Technology makes reheating your favourite foods, snacks and beverages easier than ever.

The Inverter Technology is lightweight and provides even distribution of cooking power. Use popcorn and beverage settings for one-touch cooking. Express Cook allows one-touch cooking up to six minutes. The convenient and flexible "+30 Sec" key works as both instant start option and allows you to add more time during cooking.

The SHARP SMC1664KSC is a bold design statement in any kitchen. The elegant, grey interior and bright white, LED interior lighting complements the stainless steel finish of this premium appliance.

With decades of experience designing smart, innovative microwaves, it's easy to see why home cooks throughout the world trust SHARP Carousel.

Family sized 1.6 cu. ft. capacity, to cook and reheat larger portions of food

White LED display creates a modern look and improves visibility

Elegant, grey interior complements the stainless steel finish

Sensor cook menu for precise cooking and reheating
