

5.4 cu. ft. 164-can/54-bottle Built-in or Freestanding Beverage Center in Stainless Steel with Reversible Door

The Hisense HWS054B1ASD beverage center can hold up to 164 cans or 54 bottles, featuring a sleek, modern design with a stainless steel door frame and handle. The stainless steel finish is fingerprint-resistant, keeping your appliance spotless and stylish. The reversible door allows for ultimate adaptability, letting you choose whether it opens left or right for seamless integration into any space. The user-friendly digital touch panel provides effortless control over temperature, lighting, and settings, while a wide temperature range from 3°C to 18°C (37°F to 64°F) meets all your storage needs.

Wine & Beverage Combo

Keep all your drinks perfectly chilled! With a wide temperature range of 3°C to 18°C (37°F to 64°F), this cooler meets all your storage needs for wine, beer, and soft drinks.

Stainless-Steel with Fingerprint-Resistant Door and Handle

Experience the sleek elegance of Hisense's stainless-steel beverage center, now with fingerprint-resistant finish. Keep your appliance spotless and stylish, free from smudges and fingerprints.

Adjustable LED Illumination

Experience perfect visibility and ambiance with our Adjustable LED Illumination, featuring three brightness levels for energy-efficient brilliance and ideal drink presentation.

Anti-UV & Low-E Glass

Protect your wine collection with our wine cooler's Anti-UV and Low-E Glass. Shielded from harmful rays and temperature fluctuations, your wines stay fresh and flavorful while a consistent temperature is maintained for long-term preservation.

Reversible Door

Enhance your space with our reversible door feature, allowing you to choose whether the door opens left or right for ultimate adaptability and ergonomic ease. Perfectly integrate your beverage center into any style or place with seamless customization.

Open Door Alarm

The alarm will go off when the door has been left open for 2 minutes.
