This extra large capacity front load washer includes the FreshFlow™ Vent System, the first fan-powered system with antimicrobial protection designed to help keep your clothes and washer fresh. This system includes a trio of features, like the FanFresh® Option to keep clothes fresh until they're moved to the dryer. The Dry Drum Cycle to reduce excess moistures in the washer drum and door after a wash. And a rubber seal with antimicrobial protection to help prevent the growth of odour-causing bacteria. Plus, simplify your laundry routine and get efficient cleaning performance with AI Intelligent Wash technology.
