

CI60XB

24" Built-In 4-Zone Induction Cooktop

AVAILABLE FINISHES / COLOUR OPTIONS

	CI60XB Black Ceramic Glass, Stainless Steel Sides with Bevelled Edges
--	---

KEY FEATURES

Blends Seamlessly Into Any Kitchen

The Black surface and stainless steel trim aligns perfectly with every kitchen style.

Induction Elements

Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience

Ceramic Glass Surface

Ensures improved safety and easy cleaning.

Touch Controls

Adjust and control the power levels with a simple touch design.

Digital Timer Function

The digital timer setting of up to 99 minutes helps coordinate meal preparation and cooking.

9 Power Levels

Allow you to adjust the heat output of each element.

Residual Heat Indicator

Cooktop indicates when elements are still hot.

Automatic Switch-Off

The cooktop automatically turns off when overheating.
