

VE-DWVSS

24" Stainless Steel Tall Tub Dishwasher

AVAILABLE FINISHES / COLOUR OPTIONS

KEY FEATURES

Stainless Steel Design

Encounter the refined stainless steel construction of our built-in dishwasher, embodying timeless elegance and robust durability to deliver superior performance for years to come.

Top Hidden Control Panel

User-friendly controls that are tucked away on top of the dishwasher door for a sleek concealed look.

Quiet Performance

Creates a peaceful kitchen environment even as it delivers powerful wash performance, operating at 47 decibels.

14 Place Settings

Generous interior space means more clean dishes and fewer loads. Racks fit 14 full place settings including a dinner plate, salad plate, bowl, mug, and sets of cutlery.

Flexible Wash Programs

Features easy-to-use cleaning cycles including Rinse Only, Auto and Intensive Plus.

47 dBA Noise Level

Keep your kitchen quiet during cleanup with a dishwasher sound level of just 47 dBA.

Stainless Steel Interior

Stainless Steel interior tub helps to dampen and insulate against noise, resists stains, adds extra durability, and has a higher temperature tolerance than plastic interiors.

Delay Start

Delay the start of the cycle up to 9 hours to make sure dishes are clean and dry when you need them.

Third Level Cutlery Rack

Provides additional space for long and flat items like silverware, serving utensils and spatulas.

Overflow and Leak Protection System

Provides a peace of mind with the protection against potential sources of leaks.

ENERGY STAR®

For outstanding energy efficiency, which means you'll save big-time on your utility bills.
