Stereo Headphones

Model: YY3004

The term "product" in this document refers to the unit or its accessories.

Do not install the product in a confined space, such as a bookcase or built-in cabinet.

FOR UNITED STATES CUSTOMERS. NOT APPLICABLE IN CANADA,
INCLUDING IN THE PROVINCE OF QUEBEC.

POUR LES CONSOMMATEURS AUX ÉTATS-UNIS. NON APPLICABLE AU
CANADA, Y COMPRIS LA PROVINCE DE QUÉBEC.

You are cautioned that any changes or modifications not expressly
approved in this manual could void your authority to operate this unit.

Contact: Sony Customer Information Service Center at 1-800-222-7669

Supplier's Declaration of Conformity

Trade Name: SONY

Model: YY3004

Responsible Party: Sony Electronics Inc.

Address: 16535 Via Esprillo, San Diego, CA 92127 U.S.A.

Telephone Number: 858-942-2230

This device complies with part 15 of the FCC Rules. Operation is subject
to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including
interference that may cause undesired operation.

NOTE:

This unit has been tested and found to comply with the limits for a Class
B digital device, pursuant to Part 15 of the FCC Rules. These limits are
designed to provide reasonable protection against harmful interference in
a residential installation. This unit generates, uses, and can radiate
radio frequency energy and, if not installed and used in accordance with
the instructions, may cause harmful interference to radio
communications.

However, there is no guarantee that interference will not occur in a
particular installation. If this unit does cause harmful interference to
radio or television reception, which can be determined by turning the
unit off and on, the user is encouraged to try to correct the interference
by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the unit and receiver.
- Connect the unit into an outlet on a circuit different from that to which
the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

High volume may adversely affect your hearing.

Do not use the unit while walking, driving, or cycling. Doing so may cause
traffic accidents.

Do not use in hazardous areas unless the surrounding sound can be heard.

If the earbud tips are not securely attached, they may fall off and remain
inside the ear during use. Make sure that the earbud tips are securely
attached before use.

This product has magnet(s) which may interfere with pacemakers,
programmable shunt valves for hydrocephalus treatment, or other medical
devices. Do not place this product close to persons who use such medical
devices. Consult your doctor before using this product if you use any such
medical device.

There is a danger that small parts may be swallowed. After use, store in a
location out of reach of small children.

Note about static electricity

If you use the unit when the air is dry, you may experience discomfort due
to static electricity accumulated on your body. This is not a malfunction of
the unit. You can reduce the effect by wearing clothes made of natural
materials that do not easily generate static electricity.

How to use (Fig. A)

- ① Cable adjuster
Do not wind the plug and the split part of the cable around the cable
adjuster.
- ② Volume +/-
- ③ Multi-function button
- ④ Microphone

Operation / Operation details

You can use the multi-function button to perform the following operations.

Press once

During music playback: Play music/Pause

Incoming call: Respond to a call

During a call: End call

Press twice quickly

Skip to the beginning of the next track

Press 3 times quickly

Skip to the beginning of the previous track or the current track during
playback

Press and hold

During music playback: Activate the voice assist function

Incoming call: Reject a call

During call:

Turn the microphones on/off (Android™)

Turn the microphones off only while pressing and holding the button
(iPhone)

Note

Depending on the connected device, OS, or application software, the
function may not work properly or the operation may differ. In that case,
please operate the connected device.

Precautions

The URL on the cover will help you access the help guide that
describes useful notes or procedures in details.

- While connecting the USB cable, do not apply excessive force to the
connection part.
- When connecting or disconnecting the USB cable, do not apply excessive
force, such as by pulling the cable, and connect or disconnect the
connector straight to the port to be connected.
- If the USB cable connector is deformed, such as by it being bent, stop use
immediately.

Notes on wearing the unit

- After use, remove the headphones slowly.
- Because the earbud tips achieve a tight seal in the ears, forcibly pressing
them in or quickly pulling them out can result in eardrum damage.
When wearing the earbud tips, the speaker diaphragm may produce a
click sound. This is not a malfunction.

Other notes

- If you experience discomfort while using the unit, stop using it
immediately.
- If you have any questions or problems concerning this unit that are not
covered in this manual, please consult your nearest Sony dealer.

Specifications

Power source:

USB bus power compliant (5 V, 25 mA)
