Features & Benefits

Design quality

This range has been carefully crafted in every detail from performance to durability using quality materials including the balanced soft-close door, rounded hob rail and glowing halo dials.

Large capacity

The large 3.5cu ft total capacity for this range gives you plenty of space to cook multiple dishes at the same time.

Performance power

Precise cooktop controls let you sear or stir fry over instant, powerful heat. Use the high burner power or simmer a delicate sauce using the gentlest of heats.

Easy cleaning

With its durable surface, your cooktop simply needs a quick wipe after cooking to keep it looking good as new for years to come.

Safe and Sound

The door cavity cooling system keeps the heat on the inside, protecting your hands and surrounding cabinetry. The fully extendable telescopic shelving also allows easy access to any hot dishes for added safety.
