## Gas on Steel Cooktop 36" 5 Burner (LPG)

### Contemporary

This Fisher & Paykel 36" gas on steel cooktop with five burners is an entertainer's dream with plenty of space for multiple pots and pans.

Stainless steel with polished strip

## Dimensions

Depth	20 7/8"
Height	2 5/16"
Width	35 7/16"

## Features & Benefits

### Precise control

Simply turn the dials to ignite the flame quickly and safety. Innovalve™ technology allows you to adjust the flame with 180° gas valve rotation for super accurate temperature control.

### Easy handling

With flat cast iron grates, pots and pans can easily be slid across elements, coming in handy in busy cooking environments.

### Safe and sound

The Auto-reignite system means you don't have to hold down a dial while burners ignite - if a burner goes out it is automatically relit at the original flame setting.

### Designed to match

The brushed stainless steel and polished metal trim has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

### Easy cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

## Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

## Specifications
