

POTENZA WALL

COMFORT SERIES

LED lamps

Potenza combines curved glass and stainless steel to create a light and airy environment, which is perfect for any contemporary kitchen.

The flowing designs of 30" or 36" widths come with a powerful 400 CFM blower that can support the cooking demands of most kitchens. Backlit push button controls manage multiple functions, including LED lighting and 3 speed blower. Potenza also features a telescopic chimney for up to 8' 5" ceilings.

Designed for standard ducted installation, Potenza can also be installed as a recirculating system using the kit available as an accessory.

PLUS

LED LIGHT

LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, represents the most remarkable advantage of LED light bulbs.
