

TOBLINO WALL

LED light

Toblino, with its super sleek hood design that's only 2" high is the perfect complement for modern kitchen designs that feature futuristic sharp architectural lines.

Available in 30" or 36" widths, Toblino features backlit push button controls which manage multiple functions, including LED lighting and 3 speed blower. Toblino features a telescopic chimney for up to 8' 5" ceilings.

Designed for standard ducted installation, Toblino can also be installed as a recirculating system using the kit available as an accessory

PLUS

LED LIGHT

LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, represents the most remarkable advantage of LED light bulbs.
