## 36" 5 Burner Gas Cooktop

---

 Contemporary

Stainless Steel

### Dimensions

|        |         |
|--------|---------|
| Depth  | 20 7/8" |
| Height | 3 1/16" |
| Width  | 35 1/2" |

### Features & Benefits

#### Fits flush

This Gas Cooktop's burners are recessed into the work surface leaving the trivets flush and providing an integrated kitchen bench with a seamless look.

#### Clever cooking results

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

#### Designed to match

The brushed stainless steel has been designed for durability but also provides a modern, stylish finish, matching the Fisher & Paykel family of kitchen appliances.

#### Safe and sound

Intuitive dials glow red for on and white for off, showing from a distance which burners are lit. The Auto-reignite system means you don't have to hold down a dial while burners ignite - if a burner goes out it is automatically relit at the original flame setting.

#### Easy cleaning

The stainless steel component is easily accessible and quick to clean. Cast iron trivets provide a durable and stable cooking platform. Their rubber feet prevent them from scratching the cooktop.

#### Handy accessories

This cooktop comes with a small pan support and wok stand to complement different cooking styles.

### Specifications

#### Accessories

|                   |   |
|-------------------|---|
| Small pan support | • |
| Wok stand         | • |
