Gas Cooktop 36", 5 burner

—
Contemporary

This Fisher & Paykel Professional 36" Gas Cooktop with five burners is easy to use with halo-illuminated control dials.

Stainless Steel

Dimensions

Depth	21"
Height	5 1/2"
Width	36"

Features & Benefits

Perfect heat

Sealed Dual Flow Burners™ deliver cooktop power up to 20,000 BTU for seriously fast boiling right down to a precise 140°F full surface simmer with the gentlest of flames.

Cooking flexibility

The self-locating grates focus the flame where it's most required on the base of each pan and are designed for easy and safe sliding of pans. For cooking variety, a drop-on griddle plate and wok ring accessories are available.

Easy cleaning

These cooktops have sealed burners and a single sheet cooking surface which, combined with a commercial-style stainless steel finish and dishwasher-safe grates, allow easy cleaning.

Information at a glance

LED halo control dials provide information at a glance and assist in alerting you if any burners are accidentally left on.

Precise control

From the highest to the lowest temperatures you get total control with halo-illuminated cooktop dials. A precise full surface simmer is delivered across all burners.

Designed to match

Built to last with distinctive, bold styling, this cooktop is designed to match the Fisher & Paykel Professional style family of appliances.
