Dimensions

Depth	29 1/8"
Height	35 3/4 - 36 3/4"
Width	47 7/8"

Features & Benefits

Cooktop power

Sealed Dual Flow Burners TM deliver cooktop power up to 23,500 BTU (NG models) for seriously fast boiling right down to a precise 140°F full surface simmer with the gentlest of flames.

Total control

Precise control across high and low settings is delivered through the haloilluminated cooktop dials. The ovens have true convection and electronic oven control for precise and consistent temperatures.

Consistent broiling

The Dual Fuel Range broiler provides an even heat that covers a very large surface area — perfect for browning a fully loaded oven tray.

Easy to clean

The Dual Fuel Range oven has a self-cleaning function and removable side racks. The cooktop has sealed burners and an encapsulated cooking surface with a commercial-style stainless steel finish.

Instant visibility

Control dials have halo-illumination glowing white – heating up; orange – temperature reached; red – self-cleaning mode. The oven is illuminated by two powerful incandescent lights.

Cooking flexibility

The cooktop is designed for easy access to any burner with grates you can smoothly slide pots across. The oven is large enough to hold full size baking sheets.

Handle option

Customise your Professional Fisher & Paykel kitchen appliance to suit your kitchen style by purchasing our square handle option.

Specifications

Accessories	
Combustible situation (Sold seperately)	BGRV2-3048F
Minimum CFM	1,200
Non combustible situation (Sold seperately)	BGRV2-3048 / BGRV2-124
Recommended hood (Sold seperately)	VS48-48" Pro Hood
Square handle option (Sold seperately)	AH-R4
Cleaning	
Dishwasher proof trivets
