

ES-36_UB

Traditional Ventilation Hood, 36"

Professional

This Fisher & Paykel Professional 36" ventilation hood eliminates unwanted grease, smoke and odors quickly with four fan speeds up to 600 CFM.

Stainless Steel

Dimensions

Depth	23"
Height	12"
Width	35 7/8"

Features & Benefits

Built to last

The high quality finish, premium grade stainless steel and robust product design combine to deliver an efficient wall hood. This vent hood can also be installed within cabinetry.

Simple to use

A single on/off button makes the hood easy to use. A slider control lets you precisely adjust the fan speed up or down. Two level halogen lighting effectively illuminates the cooking surface.

Easy cleaning

Filters effectively trap grease particles during extraction. They are easy to remove and dishwasher safe, or can be cleaned by hand in hot soapy water.

Designed to match

The stainless steel finish is designed to match the rest of the Fisher & Paykel kitchen appliance family.
