### Dimensions

Depth	25 1/16"
Height	18″
Width	29 7/8"

### **Features & Benefits**

#### Simple design

The new stainless steel range hood is tough and hardworking with a style and simplicity to fit seamlessly into your kitchen.

#### Edge to edge filters

We've improved our filters to capture and extract more cooking steam, odors and grease.

#### Precise control

The Professional Range Hood has been designed to give you better control with sturdy stainless steel dials to set your desired fan speed and light level.

#### Effective extraction

Our Range Hood filters have been improved to capture more cooking steam, odors and grease. They're easy to remove and clean - simply put them in your DishDrawer<sup>™</sup> dishwasher.

#### Your kitchen, your style

Enhance your culinary experience in the kitchen with our Range Hood accessories from heat lamps through to duct covers. Choose a range hood to fit your kitchen – there are three different sizes. For the 36" and 48" models, your range hood can come with one or two blowers to give you up to 1200CFM of extraction airflow.

#### Heat lamp

Accessorize your kitchen and cook like a pro by adding our contemporary heat lamps to your 36" or 48" range hood.
