COLLECTION

Entertainment Furniture Shaped By Your Needs™

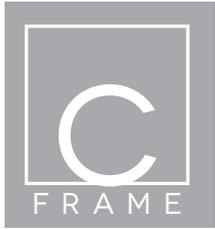

SALAMANDER DESIGNS

For twenty years, Salamander Designs has been passionate about designing and manufacturing innovative, high-quality and customizable entertainment furniture. As an award-winning industry leader, we build furniture that is shaped by your needs.

Creating functional furniture that seamlessly integrates your lifestyle with today's technology is our mission. We consider our design philosophy to be the perfect fusion of visual design, functional engineering and solid craftsmanship.

CHAMELEON COLLECTION

The Chameleon C-frame is a unique aluminum chassis designed to provide a strong and flexible furniture platform. Our expertly finished furniture panels are attached to the aluminum structure to create cabinets in various styles. While the end appearance is similar to that of typical furniture, the internal chassis permits a wide variety of bolt-on options and accessories.

CUSTOMIZABLE INTERIORS

Customizable accessories allow you to fine-tune individual systems, allowing you to keep pace with your changing requirements. The investment in high-quality furniture is protected by the ability to upgrade in the future.

CHARGING

Conveniently charge and store your mobile devices in our pull-out trays. Now there really is a place for everything.

STORING

Our personal electronics storage is a great all-in-one organizational space storing remotes and other media devices.

ORGANIZING

Our media storage pull-out trays enable you to safely and efficiently store, organize and view all of your media and more.

MULTI-FUNCTION

Solidly built, these multi-functional pull-out shelves are specifically designed to support turntables, and other heavy equipment.

PURPOSE

BUILT FURNITURE

All of our advanced accessories have been designed to enhance the functional or aesthetic aspects of our furniture systems. Each one has been built to our exacting standards for quality, reliability and durability, so they will provide years of trouble free operation.

ADVANCED ACCESSORIES

- **Accent lighting** sets the mood and adds light just where you need it
- **Active cooling** system protects delicate electronics
- **IR Repeater** allows remote controls to operate through solid doors
- **Power conditioning** delivers better picture and sound
- **Integrated TV and speaker mounts** combine directly with cabinets
- **Decorator feet and wheels** fine tune the style and function

FIT YOUR
STYLE & SPACE

Chicago Quad 245

ON-WALL

The wall hanging cabinet is the ultimate way to create the look of custom cabinetry. It creates the illusion that your cabinet is floating above the floor. Best of all, installation is simple. Just remove the standard cabinet feet, install the specialized wall hanging brackets and presto.

CORNERS

Accommodating smaller spaces, our Corner Cabinets open up possibilities in a variety of living spaces. Corner Units available in two configurations and all Chameleon Styles.

Corsica Triple 339

SPEAKER INTEGRATION

Chameleon Cabinets accommodate a wide range of speaker types and sizes. Salamander has partnered with Leon Speakers to offer custom-made premium soundbars to fit most Salamander cabinets. These center channel and LCR speakers are designed specifically to fit any Chameleon single, twin or triple-wide speaker opening.

PRO AUDIO

Now, for the first time, it is possible to own Pro Audio Rack Mount cabinets that look like furniture.

All rack mount cabinets are constructed of premium components with exceptional attention to detail, reliability and durability. Mounting rails are compatible with industry EIA 19" component standards and include lacing bars to help manage wires.

20+

CONFIGURATIONS

The Chameleon Collection of entertainment cabinets combines art and technology. Offered in **15 sophisticated decorator styles** in over **20 configurations**, each piece of furniture is **built to order**.

Single, Twin, Triple and Quad widths, ranging in height from 20" to 70". Pick the style and configuration that suits your needs.

BARCELONA

CONTEMPORARY, URBAN, METROPOLITAN

Barcelona Cherry-Black 237 with a Single 317

Barcelona Walnut Black Triple 337

Clean, cutting-edge design with beveled edges and precision miter joints highlighted.

Available in three combinations:

Light Cherry Wood
Black Glass Doors

Natural Walnut Wood
Black Glass Doors

Natural Walnut Wood
White Doors

BERLIN

CONTEMPORARY, MINIMALIST

Wall Mounted Berlin Quad 247

A distinctly European influence with its wave textured front is executed in a rich Wenge finish.

Chicago Triple 339

CHICAGO

CONTEMPORARY, MINIMALIST

The light look and feel of tall grasses is finely set in a horizontal textured pattern. Black Oak with black glass top and black feet work in unison, creating the cabinet's hi-tech facade.

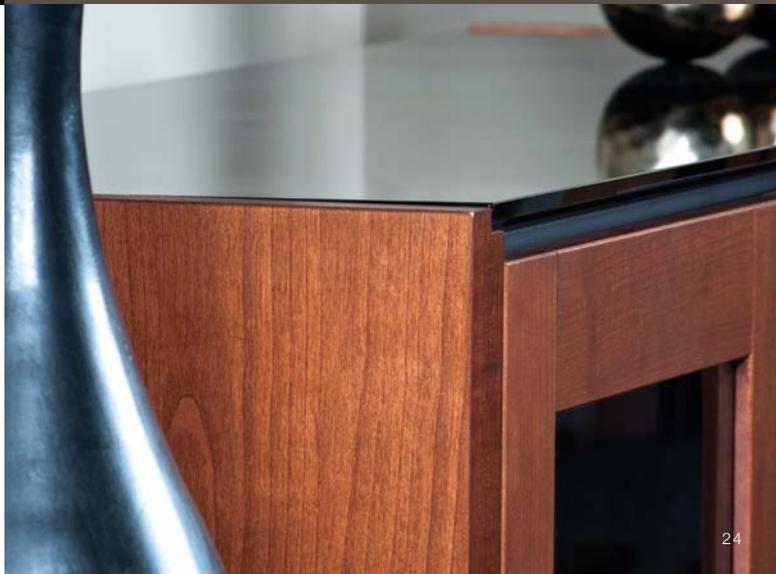

Corsica Triple 339 & Corsica Single 317

CORSICA

CONTEMPORARY, COASTAL CASUAL

This easygoing and laid-back style is represented in a American Cherry finish, with extra-thick end panels, and complemented by a seamlessly integrated black glass top.

DENVER

RUSTIC CONTEMPORARY

Denver Oak Triple 237

Deeply embossed, horizontal grains—akin to bark, offer a rustic look. The simplicity of natural wood is cleanly juxtaposed against the heavy, chocolate brown glass top.

Available in two wood finishes:

Medium
Walnut

Natural
Oak

ELBA

TRANSITIONAL, ALL-AMERICAN

Its essence is casual comfort made unique by wide framed, American Cherry wood doors with smoked glass inserts. The thick wood cross section of its top gives this cabinet a dramatic look.

HAMPTON

TRADITIONAL, COUNTRY INSPIRED

Hampton Single 61 1/2 Rack Mount Cabinet

Hampton Triple 337

This finely crafted cabinet in a Distressed Black finish is a charming and comfortable design that brings to mind a traditional country home.

Miami Twin 221

MIAMI

SLEEK, CONTEMPORARY

High-gloss, Warm White side panels and doors beautifully offset the chocolate brown glass top. This contemporary style truly captures the cosmopolitan vibe of trendsetting Miami.

OSLO

CONTEMPORARY, SOPHISTICATED, STREAMLINED

Oslo Øved 347

This sleek beauty features dark smoke glass doors, Wenge sides and black glass top designed for true technophiles and urban sophisticates.

SONOMA

TRANSITIONAL, MISSION INFLUENCED

Sonoma Triple 309 & Sonoma Single 217

This elegantly crafted design is rendered in American Cherry and features vertical slatted doors with black micro-perforated steel inserts for an updated Mission style.

VENICE

TRADITIONAL, PRECIOUS ANTIQUE

The romance of a Tuscan villa is the inspiration for this cabinet with Antique Cherry glazed finish and brass hardware for a classic antique look.

Indicates recommended cabinets for wall mounting.

Mounting brackets sold separately.
