OPERATING INSTRUCTIONS

INFORMACIÓN IMPORTANTE DE SEGURIDAD-LEA TODAS LAS INSTRUCCIONES ANTES DE USAR-GUARDE ESTAS INSTRUCCIONES

ADVERTENCIA Para su seguridad, siga las instrucciones de este manual a fin de minimizar riesgos de incendio, explosión, descargas eléctricas, y para evitar daños en su propiedad, lesiones personales o la muerte.

ADVERTENCIA INSTALACIÓN Y MANTENIMIENTO ADECUADOS

- Esta lavadora deberá instalarse y ubicarse de acuerdo con las Instrucciones de Instalación antes de ser usada. Si no recibió una ficha de Instrucciones de Instalación con su lavavajillas, podrá acceder a una visitando nuestro sitio web en **GEAppliances.com**.
- Conecte el lavavajillas/ electrodoméstico a un sistema de cableado de metal permanente con conexión a tierra o se debe tender un conductor para la conexión a tierra del equipo con los conductores de la tierra al al del equipo o al equipo o al conductor de suministro del electrodoméstico.
- Una conexión inapropiada del conductor de conexión a tierra del equipo puede provocar riesgos de descargas eléctricas. Consulte a un electricista calificado o personal del servicio técnico si tiene dudas de que el electrodoméstico se encuentre conectado a tierra apropiadamente.
- Deschete de forma correcta de electrodomésticos y materiales de envío o empaque de desechos.
- No intente reparar o reemplazar ninguna parte de la cocina, a menos que se lo recomiende específicamente en este manual. Cualquier otra reparación deberá ser realizada por un técnico calificado.
- Use solo el kit de cables WX00X76910 (23cm) o WX00X76911 (23cm) o cables de extensión para la conexión eléctrica. Si no se siguen estas instrucciones, se pueden producir riesgos de incendio y lesiones personales.
- A fin de minimizar la posibilidad de descargas eléctricas, desconecte este electrodoméstico del suministro de corriente antes de intentar cualquier mantenimiento.
- NOTA: Apagar el lavavajillas/ electrodoméstico desconecta el suministro de corriente. Le recomendamos que el servicio técnico de su electrodoméstico sea realizado por un técnico calificado.

ADVERTENCIA AL USAR SU LAVAVAJILLAS, SIGA LAS PRECAUCIONES BÁSICAS, INCLuyendo LO SIGUIENTE:

- Use este electrodoméstico solo para su propósito original, como se describe en el Manual del Propietario.
- Use solo detergentes o agentes humectantes recomendados para uso con lavavajillas. No use lejía, lejía de sodio o lejía de amoníaco.
- El uso de un detergente que no esté diseñado específicamente para lavavajillas hará que este último se llene de agua con jabón.
- Ubique artículos puntiagudos de modo que no haya posibilidades de daños sobre el sellador de la puerta.
- Cargue los cuchillos puntiagudos con los mangos hacia arriba, a fin de reducir el riesgo de lesiones por cortes.
- No lave productos de plástico, a menos que contengan una marca de seguridad en lavavajillas o su equivalente. Cuando se trate de productos de plástico que no estén marcados de esta manera, consulte las recomendaciones del fabricante.
- No toque el elemento de calefacción durante o inmediatamente después del uso.
- Las instrucciones detalladas de conexión a tierra se pueden encontrar en la sección "PREPARACIÓN DEL CABLEADO ELÉCTRICO" de las Instrucciones de Instalación.
- No use su lavavajillas/ electrodoméstico a menos que todos los paneles de cerámica estén correctamente en sus lugares.
- No manipule indebidamente los controles.
- No abuse, no se siente, no se sostenga ni se pare sobre la puerta o la bandeja del plato del lavavajillas.
- A fin de reducir el riesgo de incendios, no permita que los niños jueguen con, sobre o dentro de este electrodoméstico en cualquier momento.
- No guarde ni use materiales combustibles, incluyendo gasolina u otros líquidos o vapores inflamables cerca de éste o de otros electrodomésticos.
- Las piezas pequeñas, tales como los sujetadores de estantes y los pivotes de retención de filtros, pueden generar riesgos de asfixia en niños pequeños si son retirados del lavavajillas. Mantenga los mismos fuera del alcance de los niños pequeños.

ADVERTENCIA SEGURIDAD DEL CALENTADOR DE AGUA

Bajo ciertas condiciones, se podrá producir gas de hidrógeno en un calentador de agua que no fue usado por dos semanas o más. EL GAS DE HIDRÓGENO ES UN EXPLOSIVO. Si el agua caliente no se usó durante dos semanas o más, evite la posibilidad de daño o lesión abriendo todos los grifos de agua caliente y permitiendo que el agua corra durante varios minutos. Haga esto antes de usar cualquier artefacto eléctrico que esté conectado al sistema de calefacción. Este procedimiento simple permitirá el escape de cualquier gas de hidrógeno acumulado. Debido a que el gas es inflamable, no fume, no use una llama abierta ni use el electrodoméstico durante este proceso.

ADVERTENCIA RIESGO DE QUE UN NIÑO QUEDE ATRAPADO

FORMA ADECUADA DE DESCARTAR EL LAVAVAJILLAS
Los lavavajillas tirados o abandonados son peligrosos... incluso aunque se conserven por "sólo unos pocos días". Si se deshará de su lavavajilla, siga las siguientes instrucciones a fin de evitar accidentes.
■ No permita que los niños jueguen con, en, o dentro de éste o cualquier electrodoméstico que haya descartado.
■ Retire la puerta del compartimento de lavado.

PRECAUCIÓN A FIN DE EVITAR LESIONES MENORES Y DAÑOS SOBRE LA PROPIEDAD

- Durante o después del ciclo de lavado, es posible que los contenidos estén calientes al tacto. Tenga cuidado antes de tomar los mismos.
- Se deberá estar especialmente atento si el electrodoméstico es usado por niños o se encuentra cerca de los mismos. No permita que los niños jueguen alrededor del lavavajillas cerrar la puerta, cerrar la lavavajilla superior, o mientras verticalmente ajustando la rejilla superior debido a la posibilidad de que sus dedos pequeños sean presionados.
- Productos que no sean utensilios: no lave artículos tales como filtros electrónicos de limpieza con aire, filtros de horno y brochas de pintura en su lavavajillas. Se podrán producir daños, decoloración o manchas sobre el lavavajillas.
- Cargue artículos de plástico livianos, de modo que no sean desplazados ni caigan al fondo del lavavajillas – es posible que entren en contacto con el calentador y sean dañados.

LEA Y SIGA ESTA INFORMACIÓN DE SEGURIDAD CUIDADOSAMENTE. GUARDE ESTAS INSTRUCCIONES

WARNING

The retaining posts can be a choke hazard for small children.

On some models, the Ultra-Fine Filter is secured with retaining posts. To remove the posts, use a screwdriver to turn the posts counter-clockwise and remove them from the filter. Once removed, replace the Ultra-Fine Filter.

After cleaning the front panel, make sure you know what type of product you are using. For example, if you are using a product that is not recommended for use in your dishwasher, it may damage the front panel or the dishes. Always use the product as directed on the label. If you are unsure, contact the manufacturer for more information.

For more information, please visit our website at www.bosch.com. You can also call our toll-free number at 1-800-541-7373. We will be happy to assist you with any questions you may have.

Thank you for choosing a Bosch dishwasher. We hope you enjoy the convenience and performance of your new appliance.

OWNER'S MANUAL

LEARN MORE - In an effort to conserve the earth's resources, this appliance comes with a condensed Owner's Manual. A complete Owner's Manual for your model can be found online through the website listed in the Contact US section. The model number for your dishwasher can be found on the tub wall just inside the door. Para una versión de estas instrucciones en español, ver la sección de Contact Us (Contactos).

IMPORTANT SAFETY INFORMATION - READ ALL INSTRUCTIONS BEFORE USING

WARNING For your safety, the information in this manual must be followed to minimize the risk of fire, explosion, electric shock, and to prevent property damage, personal injury, or death.

WARNING PROPER INSTALLATION AND MAINTENANCE

- This dishwasher must be properly installed and located in accordance with the Installation Instructions before it is used. If you did not receive an Installation Instructions sheet with your dishwasher, you can receive one by visiting **GEAppliances.com**. In Canada, visit **www.GEAppliances.ca**.
- Connect the dishwasher/appliance to a grounded metal, permanent wiring system; or run an equipment-grounding conductor with the circuit conductors and connect to the equipment-grounding terminal or lead of the appliance.
- Improper connection of the equipment-grounding conductor can result in a risk of electric shock. Check with a qualified electrician or service representative if you are in doubt whether the appliance is properly grounded.
- Dispose of discarded appliances and shipping or packing material properly.
- Detailed grounding instructions can be found in the "PREPARE ELECTRICAL WIRING" section of the Installation Instructions.
- Do not operate your dishwasher unless all enclosure panels are properly in place.
- Do not tamper with controls.
- Do not abuse, sit on or stand on the door or dish rack of dishwasher.
- To reduce the risk of injury, do not allow children to play with, or on inside this appliance at any time.
- Do not store or use combustible materials including gasoline or other flammable liquids or vapors in the vicinity of this, or any other appliance.
- Small parts, such as rack clips and filter retaining posts, can be a choke hazard to small children if removed from the dishwasher. Keep out of reach of small children.
- Do not attempt to repair or replace any part of your dishwasher unless it is specifically recommended in this manual. All other servicing should be referred to a qualified service technician.
- Use only cord kit WX00X76910 (5.4 ft) or WX00X76911 (7.9 ft) or hard-wire to building electrical. Failure to follow this instruction, could result in risk of fire and personal injury.
- To minimize the possibility of electric shock, disconnect this appliance from the power supply before attempting any maintenance. **NOTE:** Turning the dishwasher off does not disconnect the appliance from the power supply. We recommend having a qualified technician service your appliance.

WARNING WHEN USING YOUR DISHWASHER, FOLLOW BASIC PRECAUTIONS, INCLUDING THE FOLLOWING:

- Use this appliance only for its intended purpose as described in this Owner's Manual.
- Use only detergents or wetting agents recommended for use in a dishwasher and keep them out of reach of children. Using a detergent that is not specifically designed for dishwashers will cause the dishwasher to fill with suds.
- Locate sharp items so that they are not likely to damage the door seal.
- Load sharp knives with the handles up to reduce the risk of cut-type injuries.
- Do not wash plastic items unless marked dishwasher safe or the equivalent. For plastic items not so marked, check the manufacturer's recommendations.
- Do not touch the heating element during or immediately after use.
- The detailed grounding instructions can be found in the "PREPARE ELECTRICAL WIRING" section of the Installation Instructions.
- Do not operate your dishwasher unless all enclosure panels are properly in place.
- Do not tamper with controls.
- Do not abuse, sit on or stand on the door or dish rack of dishwasher.
- To reduce the risk of injury, do not allow children to play with, or on inside this appliance at any time.
- Do not store or use combustible materials including gasoline or other flammable liquids or vapors in the vicinity of this, or any other appliance.
- Small parts, such as rack clips and filter retaining posts, can be a choke hazard to small children if removed from the dishwasher. Keep out of reach of small children.

WARNING WATER HEATER SAFETY

Under certain conditions, hydrogen gas may be produced in a water heater that has not been used for two or more weeks. **HYDROGEN GAS IS EXPLOSIVE.** If the hot water has not been used for two or more weeks, prevent the possibility of damage or injury by turning on all hot water faucets and allowing them to run for several minutes. Do this before using any electrical appliance connected to the hot water system. This simple procedure will allow any built-up hydrogen gas to escape. Since the gas is flammable, do not smoke, use an open flame, or use the appliance during this process.

WARNING RISK OF CHILD ENTRAPMENT

PROPER DISPOSAL OF THE DISHWASHER
Junked or abandoned dishwashers are dangerous... even if they will sit for "just a few days." If you are getting rid of your dishwasher, please follow the instructions below to help prevent accidents.
■ Do not allow children to play with, on, or inside this or any discarded appliance.
■ Take off the door of the washing compartment.

CAUTION TO PREVENT MINOR INJURY AND PROPERTY DAMAGE

- During or after wash cycle, contents may be hot to the touch. Use care before handling.
- Close supervision is necessary if this appliance is used by or near children. Do not allow children to play around the dishwasher when closing the door, closing the upper rack, or while vertically adjusting the upper rack due to the possibility of small fingers being pinched.
- Non-Dishware Items: Do not wash items such as electronic air cleaner filters, furnace filters and paint brushes in your dishwasher. Damage to the dishwasher and discoloration or staining of the dishwasher may result.
- Load light-weight, plastic items so they do not become dislodged and drop to the bottom of the dishwasher—they might come into contact with the heating element and be damaged.

READ AND FOLLOW THIS SAFETY INFORMATION CAREFULLY. SAVE THESE INSTRUCTIONS
