APPLIANCE DIMENSIONS (W X H) (IN.)	35 7/8" X 9"
DEPTH TO FRONT OF CONTROL PANEL	26 5/16"
SIDE VIEW FRONT OF KNOB TO REAR OF UNIT	27 5/16"

## FEATURES & BENEFITS

- SimmerSear™ Burners provide up to 18,000 BTUs for searing to perfection and achieve ultra-low temperatures for simmering and melting without scorching.
- High Performance Dual-Stacked Burners provide more control at low temperatures to melt without scorching and achieve a true simmer on every burner.
- Burner Configuration (96,000 total BTUs):
  - 2 SimmerSear™ Burners with Melting Feature (800-18,000 BTU)
  - 4 High Performance Sealed Gas Burners with True Simmer (800-15,000 BTU)
- Brass Burners and Valves for superior efficiency, reliability, and longevity.
- Sealed burners and porcelain enameled spill basin for easy clean up.
- Exclusive Extra Wide Continuous Platform Grates provide one of the largest usable cooking surfaces and allow extra large pots and pans to be moved effortlessly from burner to burner: 3 11-1/3" Wide Continuous Platform Grate.
- Perma-Flame™ Technology automatically re-ignites a flame for continuous heating and uninterrupted cooking should a burner unexpectedly go out.
- Exclusive SmartFlame™ Technology reduces flame contact with grate to prevent grate discoloration and increase longevity.
- New Professional Design enhances the contemporary kitchen with a near cabinet-depth fit.
- Illumina™ Burner Controls, with new ProGrip™ design and stainless finish, glow bright white to always let you know when a burner is on.
- Interchangeable Accessories included - Wok Ring and Griddle:
  - Ships with both brass and black burner caps
  - Downdraft compatible
  - Island trim included
  - Designed and Manufactured in California, USA
