## REF18FCIPIXL 18" BUILT-IN FREEZER COLUMN STAINLESS STEEL LEFT SWING DOOR

Conveniently preserve food for an extended time in dry air conditions, avoid freezer burn and frost build-up.

Enjoy ample and flexible food storage thanks to Bertazzoni's columns design featuring the most usable interior depth in the category.

Serve premium ice and choose the actual ice cube size with the digitally-controlled and filtered automatic ice maker

Access all temperature settings through the intuitive digital touch-control interface, with fast-freeze and bottle chill options.

Maintain the correct temperature in the freezer when opening the door for reloading, thanks to the unique lateral side-to-side airflow circulation.

Create a truly flush front alignment with the adjacent cabinets and minimal clearance with the exclusive "lift & swing" door hinge.

Customize virtually any column combination suited for your kitchen layout. Single, double, triple and more configurations are possible.

Create a harmonized look throughout the kitchen selecting the handle style that matches your complete Bertazzoni appliances suite. Panel ready models provide the option to mount your own cabinet hardware.

Designed and manufactured with pride in Italy.

Have peace of mind with a standard full 2 years parts & labor warranty and 5 years warranty for the entire sealed system.
