- -20~50°C Storage Temperature
- Anti-reflection

KEY FEATURES

ULTRA BRIGHT PICTURE QUALITY²

Enjoy QLED picture quality you expect from an indoor Samsung TV at your favorite place outside of your home. The Terrace offers you an immersive viewing experience with 2,000nits brightness.

WEATHER-RESISTANT DURABILITY IP55 RATED¹¹

Samsung's technology enabled The Terrace to both achieve market best durability as well as a slim and sleek design.

ANTI REFLECTION

Anti-reflection makes your content bright and clear even on a bright sunny day.

ADAPTIVE PICTURE

Adaptive Picture provides 4 viewing conditions (dark, normal, bright, very bright). This feature analyzes various outdoor light conditions and optimizes brightness and contrast for the screen.

SMART TV POWERED BY TIZEN™

You can enjoy a Smart TV experience outside on The Terrace, powered by TIZEN. Enjoy all major apps including Netflix, YouTube, Amazon Prime Video, Disney+ and New Apple TV on The Terrace directly. Access to innumerable content with Samsung Smart TV and enjoy seamless experience among devices.

SOUND

ACTIVE VOICE AMPLIFIER

Reduce noise disruption from around you. AVA analyzes the different sounds in your room to deliver clear dialogue so you don't miss a word, even in a noisy environment.

MULTIPLE VOICE ASSISTANT¹ (Bixby, Amazon Alexa, Google*)

Choose from your favourite voice assistants like Bixby, Amazon Alexa, Google Assistant to quickly access your favorite TV shows, movies, get answers, and control your TV and other connected devices around your home, all using just your voice.

PICTURE

AI UPSCALING¹⁰

Our Quantum Processor upscales content through machine learning for ultimate realism.

DIRECT FULL ARRAY 16X³

Concentrated zones of precision-controlled LEDs display ultra-deep blacks and pure whites.

QUANTUM HDR 32X⁴

The dynamic tone mapping of HDR 10+ allows you to enjoy rich accurate colours with deeper contrast and crisp details.

100% COLOUR VOLUME WITH QUANTUM DOT⁵

Experience our finest picture ever with one billion shades of pure colour at any brightness.

AMBIENT MODE+⁶

No more black screen. The Terrace can mimic the wall pattern behind it, or display art, photos or information in Ambient mode.

MULTI MEDIA EXPERIENCE

REAL GAME ENHANCER+⁷

A step up from Real Game Enhancer, Real Game Enhancer+ brings extra motion clarity and reduced halo and blur in fast moving game scenes without ever having to make an adjustment. Experience enhanced visibility even in dark scenes, and 3D Sound that best syncs by game scene. AMD FreeSync reduces tearing and stuttering so you can win every time.

SMARTTHINGS DASHBOARD

Easily view and control your Smart devices through an intuitive dashboard.

MOBILE VIEW⁸

Bring the content on The Terrace and your mobile together, watch your mobile content next to your TV content on The Terrace. You can adjust the screen size and the volume of each content as you need.

TV PLUS⁹

Enjoy live TV content for free with Samsung TV Plus. Choose from a variety of channels offering a range of content for everyone.

¹Samsung may at any time and in its sole discretion without prior warning or notice change the Services or suspend and/or cease providing the Services or any part of the Services. Content, TV services and capabilities pictured may not be available in all regions and territories. Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Google is a trademark of Google LLC.

²Typical brightness based on internal testing standards and is subject to change according to viewing environment or specific conditions.

³Direct Full Array Numerical Index based on backlighting, antireflection and contrast enhancement technologies.

⁴The range of Quantum HDR claims luminance based on internal testing standards and is subject to change according to viewing environment or specific conditions.

⁵100% color volume measured to DCI-P3 standard, certified by VDE.

⁶Background feature accuracy may vary based on TV location, dependent on wall designs, patterns, and/or colors.

⁷Real Game Enhancer+ is available on select game consoles. Please visit www.samsung.com for more details.

⁸Only support Android OS based smartphone.

⁹Content services may vary by regions and are subject to change without notifications.

¹⁰4K AI Upscaling enhances content to near-4K picture quality. Based on laboratory testing. Viewing experience may vary according to types of content and format. 4K AI Upscaling may not apply to PC connection, and certain conditions of Game Mode.

¹¹Protection from water and dust based on IP55 (International Protection Rating) standard and safe to store at temperatures between -20 to 50°C.
