HORIZON2

Bluetooth clock radio speaker with FM

Features and Benefits

Customize your morning alarm

Personalize your alarm with multiple audio choices. Select your favorite radio station or one of built-in digital alarm tones. Set independent alarms for you and your partner.

Powerful JBL Pro Sound

Whether you're streaming music via Bluetooth or listening to your favorite radio station, fill your room with impressive JBL Pro Sound.

Tune in to your favorite radio stations

The JBL Horizon 2 clock radio can wake you up – or keep you company – with FM radio stations. Three convenient preset buttons take you directly to your favorite stations.

Stream all your music via Bluetooth

Simply connect via Bluetooth and play music from your favorite streaming services or personal playlists.

Ambient light

The ambient light makes it an ideal nightlight. It softly illuminates and enhances your bedroom.

Two USB ports to charge your devices

Charge your phone and tablet, or any two USB-powered devices, with convenient charging ports.

See everything at a glance on the large LCD display

Quickly check the time, date, alarm settings and radio info on the front LCD display. A built-in light sensor automatically adjusts the brightness to suit the lighting of the room.

Easy-to-use rotary control knob

The user-friendly rotary control knob has several convenient functions. Simply rotate the knob to quickly choose your wake time. You can also use it to snooze alarms, adjust the volume and turn ambient light on and off.
