DESCRIPTION

LG NanoCell TV Nano75 is powerful 4K LED TV

Enjoy 4K movies, sports and gaming. See lifelike picture of Nano Colour. Enjoy wide viewing with Advanced Colour Enhancer. Witness deep black and contrast made possible through the balanced lighting of Local Dimming. It's an experience backed by processor, connected home features and gaming tech that elevate the LED experience.

KEY FEATURES

Real 4K NanoCell Display

It's a 4K picture that defines quality. Over 8.3 million active pixels of 4K deliver 4 times the resolution of full HD. See the natural, lifelike colour of Nano Colour, precise colour at wide angles with Nano Accuracy, and deeper black and contrast of precisely balanced lighting.

webOS® 6.0 & ThinQ® AI w/ Magic Remote

The newly designed home screen shows personalized content suggestions, gives you easier access to favourites, and lets you control connected devices all in one place. The redesigned Magic Remote has an ergonomic design that's easy to hold, and its point and scroll system allows faster searching. Built-in AI provides easy access to services, while hotkeys for major content providers give you shortcuts to all your favourites.

Active HDR

Automatically elevate the beauty of your favourite scenes. Active HDR supports a wide range of formats for scene-by-scene picture adjustment, including HDR10 and HLG.

Gaming: ALLM, HGiG, Game Optimizer

LG NanoCell TV gives you a gaming advantage. AI-powered picture quality transports you to the moment. Gaming features and the latest tech, including HGiG and VRR give you an edge with less lag, high refresh rates and incredibly responsive gameplay. Game Optimizer automatically adjusts picture settings, optimizing graphics and visibility, to deliver a better gaming experience no matter what type of game you're playing.

Netflix, Apple TV+, Disney+, Prime Video, LG Channels

There's no stopping your entertainment. LG's smart webOS® features the latest streaming apps like Disney+, Prime Video and the Apple TV app, and favourites like Netflix and LG Channels. It's simple to find top shows, up-and-comers and get personalized content recommendations. And access it all with ease using the LG Magic Remote.
