

Experience a smarter Soundbar with the S61A.

Side Horn Speaker with Acoustic Beam produces superb room-filling sound, while the Built-in Center Speaker enhances the human voice to hear dialogue loud & clear. Built-in Voice Assistant is ready to take your voice commands and when you want to mirror music from your phone all you need to do is tap. A premium fabric design that looks stunning in any room completes the package.

KEY FEATURES

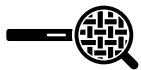

Side Horn Speaker with Acoustic Beam

Experience room-filling sound with dual sided horn speakers and Samsung acoustic beam technology. The sound coverage has been enhanced to produce a wider sound range, improving the audio quality.

Built-in Center Speaker

Human voice to provide the best sound experience and better deliver dialogues by enhancing human voice.

Premium fabric design

Wrapped in a premium fabric to fit beautifully into any interior.

Built-in Voice Assistant¹

Samsung supports voice assistant, like Alexa for easy control.

¹Content services may vary by regions.

Tap Sound²

Mirroring music from your mobile to Soundbar is as simple as a tap. When you tap your Soundbar with your mobile, the Soundbar senses the tap and mirrors automatically. So it's quick and easy to switch to the Soundbar and continue.

²Tap sound is working through Bluetooth, and compatible with Samsung mobile devices with Android 8.1 and above.

ADDITIONAL FEATURES

Music Mode

Music Mode is dedicated to take your audio quality to a higher level, enabling you to use this Soundbar as the perfect music system for your home.

Wi-Fi and Bluetooth Streaming

Connect Samsung Soundbar wirelessly through Wi-Fi and Bluetooth. Enjoy music from your mobile device in top audio quality, with no strings attached.

Samsung Acoustic Beam

Samsung Acoustic Beam technology mixes and delivers the sound so it appears to come precisely from where the action is happening on screen. Perfect for movie and gaming, this sound will really move you.

Adaptive Sound

Automatically enhances voice clarity on low volumes and actively optimizes sound depending on content.

Wall Mount Kit Included

A Wall Mount Kit is included that wonderfully complements wall mounted TVs. This easy to install kit will make your Soundbar and wall mounted TV a beautiful thing together.

Wireless TV Connection³

Connect to your TV with Wi-Fi and Bluetooth® for a harmonized AV sync.

³Only available on select Samsung TVs. Visit Samsung.com for more information.

HDMI

With the HDMI port, you can connect the Soundbar to various devices and enjoy vivid content.

Wireless Subwoofer Compatible⁴

Boost the thrill with our compatible SWA-W500 wireless subwoofer, delivering deep rich bass. Wireless connectivity allows you to place it where you want with no additional trailing cables.

⁴Additional purchase of Samsung Wireless Subwoofer, SWA-W500 is necessary.

Wireless Surround Sound Ready⁵

Wirelessly connect to rear speakers for an enhanced cinematic experience.

⁵Additional purchase of Samsung Wireless Rear Speaker Kit, SWA-9100S is necessary.

All-in-one

Designed with built-in woofers and mid range tweeters, so you can enjoy rich, natural sound anywhere in the house.
