

Black panel and polished stainless steel, Foglia features a gently arched front that softens the units profile and provides an angled panel for easy access to the controls.

Available in 30" & 36" widths, Foglia includes a powerful 600 CFM blower, LED lighting with dimmable feature, stainless steel microhole filters and capacitive touch controls that deliver convenience and safety.

Designed for standard ducted installation, Foglia can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.

PLUS FEATURES

TOP PERFORMANCE - Excellent performance for models equipped with this plus. High fume capturing capacity with an average aspiration range of 600 CFM's. with low noise levels, 1.2 - 1.7 sones at working speed.

HUSH SYSTEM - An exclusive sound deadening technology that effectively reduces sound levels up to 35%, compared to typical range hoods.

CFM REDUCTION - CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the user to reduce directly in the glass touch control the maximum blower CFM, to meet local code requirements.

DIM-LIGHT - The Dimmer allows you to adjust the brightness of the light as you wish. With Elica, lighting is customized in a discreet, personal and practical way, in order to contribute in creating the perfect kitchen atmosphere.

LED LIGHT - LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, represents the most remarkable advantage of LED light bulbs.

ELECTRONIC TOUCH CONTROLS - Enjoy the modern design and convenience of multi-function electronic touch controls, which are discreetly hidden behind sleek black glass, and will illuminate a soft blue when activated.
