SAMSUNG

BESPOKE French Door Counter-Depth Refrigerator with Beverage Center 24.0 cu. ft.

Signature Features

Customizable Door Panels

Customize the colour of your refrigerator. Choose from eleven colours and two finishes to create a space that fits your style.¹

This model ships with Stainless Steel panels.

Beverage Center

Consists of a BPA Free² Autofill Water Pitcher that fills up automatically and a regular Water Dispenser for easy access to a glass of fresh or flavoured water.

Dual Auto Ice Maker

Be prepared for any occasion with two different types of ice. The Dual auto ice maker makes both cubed ice and ice bites.

SAMSUNG

BESPOKE French Door Counter-Depth Refrigerator with Beverage Center 24.0 cu. ft.

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow $11\frac{3}{8}$ " of clearance on hinge side of refrigerator when installing next to a wall where door may make contact.
4. Allow 2" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a $\frac{3}{8}$ " minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.
